Public Hearing and Budget Work Session

Budget Work Session Meeting- 3:00 p.m.

Supervisor Countryman called the Budget Work Session to order at 3:00 P.M.

Budget Requests of Funded Organizations: Representatives of community organizations attended this meeting to present documentation in support of their individual funding requests. Financial and other records were provided as requested and questions posed by board members were answered satisfactorily. All groups recounted the difficulties experienced due to the virus that hampered the normal fundraising activities from which they derive much of their annual operational financing.
